SHADY

Shady side table is not your ordinary side table. It is not enough that it is heavy and sturdy, with two levels of tabletops, it has an extra function as a parasol base when needed. The design tough is that we always have things to put down when we are outdoors. And most of them enjoy being in the shade. Why not have a Shady beside your sofa or armchair, that fixes the job!

HIGHLIGHTS

- Available in 2 different colours in weatherproof outdoor powder coating
- Sturdy and stable side table of steel, E-coated underneath the powder coating.
- Can double function as a parasol base.
- Pole diameter for 2 sizes of parasols, 48 and 38mm.
- Suitable for a wide variety of private and public environment.
- Good match with parasolls: PALIANO, SHANGHAI, BOLANO, POPPY, ABRIOLO.
- Good match with sofas like: BENDT, SLING, BRAT, SHELL, LERBERGET, LYRA.
