

SLIDE

Product fact sheet

Brafab

SLIDE

The major advantage of the Slide position armchair is that you can relax exactly as you wish. With a simple button, you can steplessly control the perfect position of the backrest – and the seat cushion will follow along. The seat back and seat are made of durable textilene. The cushions contain a newly developed synthetic down to further elevate the feeling of total comfort.

Slide combines stylish design with total relaxation. Here, the shape is maximized for comfort beyond the ordinary. A folding armchair of the highest quality.

Welcome to sit down!

HIGHLIGHTS

- Available in 3 different products: Recliner, Footstool and Side table
- Seat and backrest with textilene.
- Slide recliner can be positioned in a straight or relaxed backrest position.
- Push button function will slide the backrest along with the seat for extra comfortable seating.
- Cushions filled with synthetic down.
- Side table in full aluminium.
- Good match with tables like: LYON, NOX, HILLMOND, RODEZ
